How to Improve Your Prayers

& find freedom in the process

Prayer is **not** an event; it's a *continual conversation*

PRAYER

is taking **everything** before God & listening for His voice. It's asking that my heart **reflect His heart.** It's begging for discernment & **reading His Word.** It's not depending on popcorn prayers to get you through. Instead, it's **looking back** at what God has done & considering what **direction** He is providing. And then it's stepping out in **trust** that **God** will pull you back if He needs to.

Want to improve your prayers?

1. Talk to God throughout the day.
2. Seek God's will for your life.
3. Become a person of freedom as you hand over your concerns to God.

Lord, help me to **PRAY.**

Help me to turn to **YOU** through the day.

I want to become a better prayer not so I can get more of what I want. Instead, I desire to **KNOW** YOUR WILL.

I want to walk in the freedom that will come when I turn everything over to you, Jesus. Amen.

I improve my *prayers* when I understand:

1. Prayer as **ongoing communication** with God.
2. Prayer is more about knowing **what God wants** than getting what I want
3. Prayer **changes me**
